

ESO 1 - Listening Review 3 - 30/06/2019

Name: \_\_\_\_\_

1 What would Joanna like to do?

- |  |                                       |  |  |
|--|---------------------------------------|--|--|
| A<br>go to the Sports Centre and the go home | B<br>she doesn't want to go out today | C<br>go to a shop and then have something to eat | D<br>she has lots of homework, so she going home |
|--|---------------------------------------|--|--|

2 Mark ...

- |                                     |   |                                     |                          |
|-------------------------------------|---|-------------------------------------|--------------------------|
| A<br>likes going shopping very much | B<br>loves hanging out with Joanna at the new shopping centre | C<br>would like to get some clothes | D<br>wants to see a film |
|-------------------------------------|---|-------------------------------------|--------------------------|

3 Joanna...

- |                                      |  |                       |                                       |
|--------------------------------------|--|-----------------------|---------------------------------------|
| A<br>wants to go to the cinema later | B<br>thinks it is too late to go to the cinema | C<br>hates the cinema | D<br>doesn't want to see a film today |
|--------------------------------------|--|-----------------------|---------------------------------------|

4 Mark ... Joanna's idea

- |            |                         |            |                          |
|------------|-------------------------|------------|--------------------------|
| A<br>hates | B<br>doesn't want to do | C<br>likes | D<br>is not listening to |
|------------|-------------------------|------------|--------------------------|

5 but he ...

- |                                   |   |                                    |   |
|-----------------------------------|---|------------------------------------|---|
| A<br>prefers going shopping today | B<br>prefers to stay at home this afternoon | C<br>wants to go to the cinema now | D<br>doesn't want do any shopping today |
|-----------------------------------|---|------------------------------------|---|

6 Where does he want to go?

- |                        |           |                |                  |
|------------------------|-----------|----------------|------------------|
| A<br>to the skate park | B<br>home | C<br>to school | D<br>to the park |
|------------------------|-----------|----------------|------------------|

7 Why does he want to go there?

- |                              |                              |                             |   |
|------------------------------|------------------------------|-----------------------------|---|
| A<br>he has lots of homework | B<br>he has an exam tomorrow | C<br>he is very tired today | D<br>he wants to try his new sports equipment |
|------------------------------|------------------------------|-----------------------------|---|

8 Joanna likes Mark's idea but...

- |                                    |                                      |   |                                     |
|------------------------------------|--------------------------------------|---|-------------------------------------|
| A<br>she doesn't want to buy fruit | B<br>she doesn't want to go shopping | C<br>she doesn't like the market. She prefers the shopping centre | D<br>she wants to buy some food too |
|------------------------------------|--------------------------------------|---|-------------------------------------|

9 Marks says OK to that. After that he's going to the Sport Centre because...

- |                               |  |   |   |
|-------------------------------|--|---|---|
| A<br>he has a swimming lesson | B<br>he wants to see the new swimming pool | C<br>he always goes swimming at this time | D<br>he has an important basketball match |
|-------------------------------|--|---|---|

10 Joanna ...

- |  |                                |                                      |   |
|--|--------------------------------|--------------------------------------|---|
| A<br>isn't going to the Sports Centre with him | B<br>isn't going to the market | C<br>thinks the market is really bad | D<br>is going home after getting some fruit in the market |
|--|--------------------------------|--------------------------------------|---|
